

SAINT HELENA **AUDIT SERVICE**

PRESS RELEASE PR022

Issued 22 February 2008

Examination Successes

ACCA examination results from the December 2007 sitting have been released. Two members of the Saint Helena Audit Service received passes in the final paper under the Certified Accounting Technician (CAT) Scheme.

Connie Stevens, Training Manager within the St Helena Audit Service, comments:

"Congratulations once again to staff on their success. The commitment of staff continues to bear fruit; the result from this sitting has enabled the business plan target for qualified staff to be met. A special mention is therefore due to Helena Bennett our Trainee Value for Money Audit Manager who has completed all of the CAT examinations. Helena has also completed the practical training experience requirement and is now eligible to apply for CAT status".

Reflecting on her success, Helena says:

"I was really excited to receive my results, knowing that this last pass, would make me a CAT finalist! I hope I have inspired other CAT students on Island to realise that the goal is not so far away after all".

Background information for editors:
